

The Lehigh Valley Yankee Fan Club would like to thank the following families, businesses, community organizations and groups for donating their time and contributions to the Miracle League of Northampton County players and their families to make this event a great success.

Their generosity has provided the players and their families the opportunity to trick or treat in a safe and appropriate venue. Our hope is that they enjoy this event as much as the families.

Please consider sponsoring the following businesses and thank all for their generosity. Information about any of our vendors can be obtained by contacting Shelly at ShellyAlexander40@yahoo.com
